I2SL announces the 2021 Annual Conference and Technology Fair—the world's leading international conference focused on energy efficiency and environmental sustainability in laboratories and related facilities. [Learn more...](#)

The event will be virtual and all sessions will be recorded for registrants to view later. [Register now](#) for the My Green Lab Sustainability Summit 2021!

The theme for the 25th Annual Green Chemistry & Engineering Conference is Sustainable Production to Advance the Circular Economy, which directly links to U.N. Sustainable Development Goal 12, Responsible Consumption and Production, and reflects the role of chemistry and engineering in creating a closed-loop economy for a sustainable future. [Register now...](#)

The I2SL St. Louis Chapter is seeking committee members! If you are interested in supporting this newsletter's creation, planning virtual events, encouraging membership, and more - please consider joining us! Committee meetings are monthly and are currently virtual. [Learn more...](#)

### [Sponsor the I2SL St. Louis Chapter!](#)

Are you interested in supporting the I<sup>2</sup>SL St. Louis Chapter? If so, become one of our sponsors!

We encourage you to join as a founding sponsor! This is a one-time opportunity that will be limited to the first 10 sponsors who sign-up at the founder level. Don't miss out on this opportunity, sign up today!

Your sponsorship will support our goals to promote sustainable lab design and practices across the St. Louis region through collaboration with like-minded professionals in industry, lab design, and construction.

Sponsorships are annual and end 1 year from the date of sponsorship.

[Become a sponsor now!](#)

For more details on different sponsorship levels, please visit our [Sponsorship webpage](#).
