

## March 2021 Newsletter

I2SL is now [accepting abstracts](#) for presentations for the [2021 Annual Conference and Technology Fair](#) held in Atlanta, Georgia.

### Abstracts due Friday, March 26, 2021

Each year, I2SL invites designers, builders, managers, owners, manufacturers, and other industry leaders to present their latest sustainable lab advancements and technologies during the I2SL Annual Conference. We invite all interested professionals to submit an abstract to present at the 2021 I2SL Annual Conference in Atlanta, September 27-29.

I2SL is planning to hold the 2021 conference **in person** at the Atlanta Marriott Marquis, as long as it is safe to do so. If your abstract is selected, the expectation is that you will present in-person, unless the conference format changes to virtual, in which case recordings will be accepted.

### [Sponsor the I2SL St. Louis Chapter!](#)

Are you interested in supporting the I<sup>2</sup>SL St. Louis Chapter? If so, become one of our sponsors!

We encourage you to join as a founding sponsor! This is a one-time opportunity that will be limited to the first 10 sponsors who sign-up at the founder level. Don't miss out on this opportunity, sign up today!

Your sponsorship will support our goals to promote sustainable lab design and practices across the St. Louis region through collaboration with like-minded professionals in industry, lab design, and construction.

Sponsorships are annual and end 1 year from the date of sponsorship.

[Become a sponsor now!](#)

For more details on different sponsorship levels, please visit our [Sponsorship webpage](#).
