Upcoming Event

featuring Joe LaPorte,
BIO-PHC Corporation

*"Sustainability and the Challenges
to the Vaccine Cold Chain"*

Please join us for our upcoming virtual member event on **Thursday, June 17th at 4:30pm CST**. Joe LaPorte of BIO-PHC Corporation will be discussing cold chain challenges as it relates to sustainability and vaccine storage.

Presentation Summary: The global landscape for cold chain products in relation to sustainability is changing rapidly. Environmental regulations and changing best practices in the age of Covid create some unique challenges to the industry. [Learn more and Register now...](#)

ST. LOUIS GREEN BUSINESS CHALLENGE

It's not too late to [join](#) the 2021 St. Louis Green Business Challenge!

This program from the [Missouri Botanical Gardens](#) supports the integration of sustainability into your everyday operations. With four levels of engagement your company can learn and implement sustainability practices unique to your company's goals and structure, all with customized support.

Midwest Recycling Center has announced that it is joining The Electronics Reuse & Recycling Alliance's (TERRA's) Done with IT mail-in program. Midwest Recycling Center provides electronics recycling services, including lab and medical equipment, to the St. Louis, Columbia/Jeff City, and Kansas City metro areas.

[Join](#) the Missouri Botanical Gardens online for a series of virtual workshops, children's activities, panel discussions, and exhibitor consultations that explore the links between sustainability, energy efficiency, conservation at home, and a healthy environment.

Become a member of I2SL St. Louis now!

Sponsor the I2SL St. Louis Chapter!

Are you interested in supporting the I²SL St. Louis Chapter? If so, become one of our sponsors!

We encourage you to join as a founding sponsor! This is a one-time opportunity that will be limited to the first 10 sponsors who sign-up at the founder level. Don't miss out on this opportunity, sign up today!

Your sponsorship will support our goals to promote sustainable lab design and practices across the St. Louis region through collaboration with like-minded professionals in industry, lab design, and construction.

Sponsorships are annual and end 1 year from the date of sponsorship.

[Become a sponsor now!](#)

For more details on different sponsorship levels, please visit our [Sponsorship webpage](#).

Other News and Events

Bookmark our [events page](#) to stay up to date on all upcoming events in the St. Louis Region.

Keep an eye out for our newsletters including announcements for our webinars.

Please share with your colleagues and friends and encourage them to [join the chapter](#) and [sign-up](#) for the newsletters to stay connected!

Have questions? Feel free to reach out to any of our [board members](#) about I²SL and lab sustainability!

A special 'Thank You' to our founding sponsors!
