WashU Expert: The vexing vax supply chain

New COVID-19 vaccine must be kept ultra-cold; will require novel distribution network

The cold, hard fact is: Pfizer blazed a trail in creating a touted COVID-19 vaccine, but now it must help to equally pioneer an unprecedented way to distribute the drug across the United States and the globe, says a supply chain expert at Washington University in St. Louis. [Read more...](#)

[Register now](#) for the My Green Lab Sustainability Summit 2021!

The event will be virtual and all sessions will be recorded for registrants to view later.

COVID-19 vaccine trials are underway at WashU and SLU.

[Sponsor the I2SL St. Louis Chapter now!](#)

Are you interested in supporting the I²SL St. Louis Chapter? If so, become one of our sponsors!

We encourage you to join as a founding sponsor! This is a one-time opportunity that will be limited to the first 10 sponsors who sign-up at the founder level. Don't miss out on this opportunity, sign up today!

Your sponsorship will support our goals to promote sustainable lab design and practices across the St. Louis region through collaboration with like-minded professionals in industry, lab design, and construction.

Sponsorships are annual and end 1 year from the date of sponsorship.

[Become a sponsor now!](#)

For more details on different sponsorship levels, please visit our [Sponsorship webpage](#).
